

**Statement**

Dallas Brooks Community School has been identified as a school that is **not** on the Bushfire At-Risk Register, but as part of the school’s Emergency Management Procedures there are some precautionary strategies that will be implemented by the school on a routine basis to ensure the safety of the school premises and its population.

**Guidelines**

There must be evidence of the following:

- A schedule for monitoring and removal of materials that may be easily ignited, including branches overhanging buildings, debris and rubbish around and under buildings, including gutters, and dry grass and vegetation
- Safe storage of flammable material
- That building exits are continuously kept clear of obstructions
- That assembly points are designated and have appropriate access to emergency equipment
- That there is access to facilities and grounds for emergency vehicles
- The school must also regularly monitor emergency access to buildings and grounds

**Program**

The following schedule will be carried out by the school maintenance staff member and the OH&S Coordinator to ensure fire safe premises:
